OFFICIAL

Application No. 09/832,440

Applicant: Steve Morsa

Examiner: Jonathan Ouellette

Art Unit: 3629

Date of Interview: 04 May 2004

Receipt of Examiner Interview  
Summary (via Fax): 06/24/2004

July 16, 2004

While continuing to maintain that applicant's invention should be allowed; applicant concurs with the substance of the telephone interview as stated in the Examiner's Interview Summary dated 04 May 2004 with one important addition; namely, that applicant also made a strong argument of there being substantial objective evidence of the non-obviousness of the present invention (as disclosed both in applicant's response [Amendment B] to the final rejection and applicant's Faxed 04 May 2004 "follow up to the interview" letter; [which letter included the GovBenefits and BenefitsCheckUp website exhibits] ). Examiners explained that such questions of objective evidence was best decided by an Appeal Board.

Sincerely,

Steve Morsa  
Pro Se Inventor
